Full Over All Results of the 2025 SARL National Field Day Contest

A grand total of 47 logs were received from 39 Participants, with Class A being ever popular. There's plenty of room in the QRP and portable classes for SOTA and POTA experts to showcase their skills next time round. The contest generated 2,389 SSB and 21 CW QSOs overall.

Well done to the class winners, it was a well-deserved earned victory.

Class A - Field Station, Multi operator. 15 Competitors

ZS6STN Sandton ARC - 458,692
