About this Awards Directory

For many years, the awards records of the SARL were maintained manually in a tome kept in the Headquarters building in Cape Town. For the majority of the post-war period, the records were maintained by the then Awards Manager JEJ (Koos) van der Merwe, ZS1AW. The book is now slightly worn. Its format is slightly larger than A4, and it is about 35 mm thick. Its pages show evidence of meticulous record keeping over many decades. The first recorded awards date to 1950.

The period from 1950 to 1963 appears to show only one handwriting. From 1963 to 1981, there is some variation. However, Koos appears to have been the main driving force during this period, as the inside dust cover is signed by Koos on 1963-07-24. On or about 1989-05-25, Koos wrote the following:

*Hier eindig my werk wat in Kaapstad gedoen is. Ek, Koos van der Merwe ZS1AW wens my opvolger alles van die beste toe, en hoop dat diegene wat die reëls toepas streng en eerlik sal wees, die aansoeke van die AAA spoedig sal nasien en afstuur.
Koos ZS1AW, Toekenningsbestuurder.*

Freely translated:

*Here ends my job, done in Cape Town. I, Koos van der Merwe ZS1AW, wish my successor all the best, and hope that those that apply the rules will be strict and honest and will rapidly process and dispatch AAA applications.
Koos ZS1AW, Awards Manager.*

At this point, Buck Taylor ZS1VP took over. He continued to administer the awards until October 1990. Buck later returned to England, where he was G00YH. He died in 2007.

The next Awards Manager was Dick Andrews ZS5FB, who handled the portfolio from November 1990 to May 1997. Dick has also subsequently died.

In June 1997, Tjerk Lammers ZS6P took over the responsibility. He continues to handle the awards portfolio to this day.

When Tjerk took over the records, Chris R. Burger ZS6EZ requested access to the records to make them more widely available. He published the *All Africa Award* and *Worked All ZS* lists on his Web site until 2007. He did most of the typing, assisted by the late Don Milner ZS6AQS. Chris continues to maintain a list of milestones in these two awards programmes on his Web site.

Tjerk made good use of the availability of electronic versions of these records, by creating this SARL Awards Directory. This Directory was expanded to include all other SARL awards. The opportunity was also used to re-vamp aspects of the award rules to bring them into line with current practice, add more incentives to the *Worked All ZS* programme and to unify all award and contest rules in the SARL stable.

The revamp of the WAZS programme was accompanied by a series of trophies from the Pretoria Contest Club. It was not until 2010 that the last of these trophies was claimed.

Another event significant to the WAZS programme had occurred around 2005. Richard Seddon ZS2CLI created the SA-QSL system, to enable South Africans to confirm contacts via the SARL Web site.

The effect on the WAZS programme has been startling. During the 1980s, only 20 certificates were issued. During the 1990s, only nine applicants came forward. The announcement of the new WAZS series produced a spurt of half a dozen applications during 2001, followed by a four-year period without a single one. A single applicant applied for WAZS-500, with only two stations applying for WAZS-200 before 2005.

During 2006, everything changed. SA-QSL came into widespread use and the chase was on. The WAZS-500 list clearly shows the trend. WAZS-500 was announced in 2000. The first application only arrived in 2002, and pre-dates the use of SA-QSL. For the next five years, there was not a single application. ZS4JAN applied in 2007. The third applicant arrived in 2009. Clearly, WAZS-500 is not a trivial achievement. However, the 2010 calendar year saw an unbelievable five applications! The leading station is now over the 1700 mark, with 45 stations over 500 at the end of 2019.

A decade ago, confirming contacts with 500 ZS stations was hardly imaginable. Now, doing so is a very real operating target for many South Africans.

The pages that follow chronicle operating achievement, service to amateur radio and service to the SARL in particular over well over half a century. It covers more than half of the entire history of radio communications! Its publication on the Internet is a deliberate attempt to honour those achievements, but also to show what can be done. Especially the operating awards provide measurable goals that one can pursue. Have a look at these pages and choose yourself an operating goal. You may be pleasantly surprised by what you can achieve!

A word about Listed Dates

SARL Honours are listed with the year in which they were awarded. Most such awards are given for lifetime achievements.

SARL Contest Awards are listed with the year in which the contest took place. These trophies are normally handed out at the following year's AGM Awards Dinner.

Technical awards and RadioZS awards are listed with the year in which the work was published, and are also handed out the following year.

Operating awards are listed with the application date. In general, these awards are based on cumulative lifetime achievements.

2025	Anette Jacobs	ZR6D	

Refer to section 28.3.1 of the Constitution and Rules of the SARL for further details.

The origins of the Willy Wilson Gold Badge

By Dennis Wells ZS1AU

When awards were brought into being within the SARL, the highest was Honorary Life Member followed by the Gold Badge and then the Jack Twine Merit Award.

Harold Wilson ZS1BF served a record term of 12 consecutive years as President. To avoid confusion, Harold was called Willy as there were four Harolds around at the time.

When told by Colin Duff ZS1CA that Willy was going to retire at the next AGM and what do we give a man who has already received every award of the SARL, Dennis ZS1AU suggested that the Gold Badge be renamed the Willy Wilson Gold Badge.

Willy Wilson set the ultimate example of dedication, honesty, loyalty and devotion in our hobby.

At the 1971 SARL AGM held in Cape Town, Willy retired from Council as President and was awarded the Willy Wilson Gold Badge.

Koos and Annie van der Merwe Platinum Award

Awarded for exceptional and meritorious service by a member or any other person to the Amateur Radio Service.

2023	Werner Muller	V51JP
2025	Raul Coetzee	ZS1C
	Davy Smeda	ZR1FR
	Noel Hammond	ZR6DX

Refer to section 28.4.1 of the Constitution and Rules of the SARL for further details.

Koos and Annie van der Merwe Gold Award

Awarded for meritorious service by a member or any other person to the Amateur Radio Service.

2023	Susan Prinsloo	
	Jannie Minny	ZS4JR
2024	Anne Bareham	
	Heather Holland	ZS5YH
	Boland ARC	
	Cape Town ARC	
2025	Johan Becker	ZS1AAC

	Rudi Venter	ZS2M
	Corrie de Beer	ZSCDB
	Johann Bezuidenhout	ZS1JBZ
	Phillip van Tonder	ZSPVT
	Karel Bezuidenhout	ZSWN

Koos and Annie van der Merwe were licenced in 1946 in Bloemfontein as ZS4AW and ZS4AZ.

Annie became the first licenced woman in the Free State and the founding secretary of the Bloemfontein Branch of the SARL in 1946.

In Cape Town, Koos and Annie became ZS1AW and ZS1AZ. They managed aspects of the SARL's day-to-day operations in Cape Town from at least 1958 to 1989, when the League headquarters were transferred to Johannesburg.

Koos was the SARL Awards Manager from approximately 1950 to 1989. They were both instrumental in the League's two primary operating awards, *Worked All ZS* and *All Africa Award*.

At least during the early 1980s, Koos and Annie handled all aspects of administration for the SARL, commuting at their own expense and working free of charge. They maintained membership records on index cards and labelled and mailed RadioZS, the League magazine. They sorted QSL cards for the bureau. They compiled and circulated the weekly SARL bulletins and organised routine SARL meetings. They also assisted SARL branches with the Annual General Meeting.

They both received the Jack Twine merit award in the early Sixties. Annie received the SARL's Willy Wilson Gold Badge in 1965, with Koos following suit in 1972. They were both Honorary Life Members of the SARL until their respective deaths in Cape Town in the early 1990s.

Refer to section 28.5.1 of the Constitution and Rules of the SARL for further details.

Jack Twine Merit Award

To recognise qualities such as unselfishness, clean operating and a genuine interest in Amateur Radio and its affairs. This prestigious Award will be made to SARL members who, in the opinion of their fellow amateurs and the League's Council, exemplify the qualities desirable in a Radio Amateur.

Jack Twine ZS1A was the fifth president of the SARL from 1950 to 1953. He was serving as Vice President when he died in November 1954 at a relatively young age. In 1957, the SARL's merit award was renamed the Jack Twine Merit Award in his honour.

Refer to section 28.6.1 of the Constitution and Rules of the SARL for further details.

The SARL Centenary Award

In recognition of unwavering commitment, dedication and service to Amateur Radio during the past century.

Hans van de Groenendaal	ZS6AKV
Gary Immelman	ZS6YI
Peter Zimri	
Dennis Green	ZS4BS

Icom Excellence Award

This award is bestowed annually by Council on the SARL member who through his/her activity in the Amateur Radio Service has brought international recognition to South Africa by either the achievement of a VHF/UHF long distance record which is internationally recognized by the IARU, or by service to the Republic of South Africa or the SARL in the field of scientific research using the amateur spectrum, or in promoting the amateur service internationally or as Council may determine from time to time.

The Amateur Radio Hall of Fame recognises South African licenced radio amateurs who have contributed significantly to amateur radio. Its purpose is to recognise lasting contributions to the development of amateur radio and to preserve its history in South Africa. The first inductions took place at the 2016 AGM.

Contest Awards

AKYAB Trophy

Awarded by the Contest Committee to the SARL member who, in his or her first year of licenced activity, achieves the highest score during the annual HF Phone Contest.

2024	Keith Barker	ZS6HI

Donated by Raymond Coombs in 1933.

Raymond Coombs was without doubt the father of our League and his endeavours on our behalf must in many ways be likened to that grand old man of radio, Hiram Percy Maxim, who worked so hard on behalf of the American Radio Relay League. OM Raymond Coombs was actually responsible for the start of the S.A.R.L., and was the organising secretary. In fact the letters of Honorary Organising Secretary, H.O.S., appeared at the end of so many letters that he wrote that he became known the world over as H.O.S. To this day there are many who know of the magnificent work that he did, yet they know him by no other name than H.O.S. If he was with us still he would appreciate that tribute to his greatness.

H.O.S started the S.A.R.L – then known as the S.A.R.R.L. – in 1925, and from then on devoted every spare moment he had to our association until sickness intervened in the early ‘thirties. Though he never fully recovered it was not long before he was once more at the helm. A year or two later serious ill-health was again responsible for us losing the services of H.O.S. This time he did not recover, and died in 1935. His untimely passing was a severe blow, and his enthusiasm and energetic co-operation were greatly missed.

RadioZS, August 1950

Joseph White Trophy

Awarded by the Contest Committee to the SARL member who achieves the highest score on any one band, during the annual HF Phone Contest.

SARL 80 m Club Championship Trophy

2020	West Rand ARC
2021	West Rand ARC
2022	West Rand ARC
2023	West Rand ARC
2024	West Rand ARC

Donated by Dennis Green ZS4BS in 2012.

Operating Awards

All Africa Award

Last revised 2013-05-17

The All Africa Award is sponsored by the South African Radio League. Its aim is to encourage more QSOs with African countries.

Applicants must prove having made contact with the following 31 areas:

- One contact with a station in each of the six call areas of South Africa (ZS1 to ZS6).
- One contact in each of 25 African countries outside South Africa.

Only contacts with stations on the African continent are valid. Islands and ship-based stations do not count. "Country" means an entity included in the DXCC entities list maintained by the ARRL. Deleted countries also count, provided that contacts were made while the country existed. ZS3 stations in South West Africa (before 1990) count as Namibia.

Application must be made in writing. Endorsements for a single mode or a single band can be requested.

A list of confirmations must be included. The list must be certified by an official of a local radio club or two licenced radio amateurs, who have seen the confirmations. The list must contain at least the following information:

- UTC date of the contact
- Callsign of the station
- Transmission mode
- Frequency band
- Name of the country
- Type of confirmation, if not a paper QSL card

Valid confirmations are either paper QSL cards confirming all the details listed above or LoTW confirmations personally seen on-screen by the person signing the certification. If any LoTW confirmations are included, the certification can only be signed by a registered LoTW user. A mixture of paper and electronic confirmations may be used in a single application.

Include US\$ 10,00 or 10 IRCs to cover postage and handling charges. The award is free to members of the South African Radio League. PayPal facilities are available.

Applications should be addressed to:

The Awards Manager
Palm Brook G03
Oasis Retirement Resort
Century City
7441 South Africa

Email enquiries can be directed to zs6p@iafrica.com
Application forms for AAA can be found [here](#)

Arthur Hemsley 2 Metre Trophy

Awarded by Council to a SARL member for his/her individual achievements with transmissions in the 144 MHz amateur band.

This award is made for extraordinary performance on EME or modes such as Tropospheric propagation. It is not for the longest distance worked but rather for persistence in achieving something special on 2 metres.

Barney Joel Trophy

Awarded by Council to an SARL member who has been an exceptionally active HF mobile operator during the year. This award recognises commitment to HF mobile communications, contributing to the advancement HF equipment, antennas and operating. This may be operation from a vehicle but may also include other short term self-contained field operation such as SOTA, HOTA, POTA or similar activity.

2024	Brandon Zietsman	ZS6LZ		

Donated by Barney Joel ZS1AB in 1969.

Barney Joel ZS1AB/ZS3AB was a wealthy businessman who was often chauffeur-driven between Cape Town and South West Africa. He operated mobile from his car on these trips. He became very well known as he worked DX with his strong mobile signal.

Barney died around 1967. Because he was so well known as a mobileer, his family presented a trophy in his memory to the SARL. The floating trophy is awarded annually for the best Mobile to Mobile DX contact, as Barney had always wanted to achieve.

In 1973, Dennis Wells ZS4AU (later ZS1AU) and Brian van Zyl were awarded it jointly, working mobile to mobile from one continent to another continent (for the first time it was awarded for what it was intended). Dennis worked Brian while he was travelling to the South Pole as a member of SANAE, in a snowcat mobile using a vertical whip.

Rule modified 2025-02-15

Bert Buckley Six Metre Trophy

Awarded by Council to any SARL member for his/her individual achievements with transmissions in the 50 MHz amateur band. This award is not for the longest distance worked but for outstanding work or activity on the band.

Brian Jones SOTA ZS Award

Awarded to the SARL member who contributed most to the *ZS Summits on the Air* program during the year.

Nominations can be made by ZS amateurs who are active on SOTA as listed on the SOTA UK database. Management, promotion, mapping, activations, chasing and listening are all considerations. The award is normally made to one person per year and the award may not be made to the same person for more than two consecutive years. Nominations are to be sent to the Contest committee with motivation for nomination.

Top Band Certificate

The Top Band Certificate is sponsored by the South African Radio League.

Its aim is to encourage more 160 m QSOs with southern African countries.

South African stations must submit proof of having contacted at least six different southern African call areas, of which at least five must be in the Republic of South Africa. The sixth contact can be from the remaining South African call area (ZS), or from any of the bordering countries (Botswana, Lesotho, Mozambique, Namibia, Swaziland or Zimbabwe).

DX stations within 1000 kilometers of the borders of South Africa need contact only three call areas in the Republic of S.A.

DX stations beyond 1000 kilometers of the borders of R.S.A. have to contact only two call areas in southern Africa, one of which must be in the RSA.

All contacts after 1 January 1960 are valid for this award.

Contacts must be established in the range of 1800 to 2000 kHz. ZS amateurs can transmit between 1810 and 1850 kHz.

Endorsements for single modes can be requested.

South African applicants should send QSL cards, a list of contact details and a handling and postage charge of R 20,00. This award is free to members of the South African Radio League.

Foreign applicants should submit a list of QSL cards, certified by an official of a local radio club or two licenced radio amateurs that have seen the cards. A handling and postage charge of US\$ 10.00 or 10 IRCs must also be included. PayPal facilities are available.

Applications should be addressed to:

T Lammers
Palm Brook G03
Oasis Retirement Resort
Century City
7441 South Africa

Email enquiries can be directed to zs6p@iafrica.com

Application forms for the Top Band certificate can be found [here](#)

Worked all ZS Award Series

Revised 2010-03-09

The Worked all ZS series of awards is available to all Radio Amateurs and Short Wave Listeners.

Applicants must prove two way contacts (or SWL reports) with at least 100 South African callsigns. The callsigns must represent the different call areas as follows:

ZS1	16 contacts
ZS2	8 contacts
ZS3	1 contact
ZS4	6 contacts
ZS5	13 contacts
ZS6	56 contacts

In addition to the basic award (WAZS), awards for higher multiples of 100 callsigns are also available. An applicant for a higher award (WAZS-200, WAZS-300 etc.) must meet the minimum call area requirements at the time of application, or must cite the number of his/her previously issued WAZS award. Specific mode or band endorsements can be requested.

When an applicant applies with a total of more than 200 callsigns, the applicant will be issued with all awards below the actual level. An application with 380 callsigns, for example, will receive the basic WAZS, WAZS-200 and WAZS-300 if they have not already been issued before. Each award at every level will be sequentially numbered.

South African applicants should send QSL cards, a list of contact details and a handling and postage charge of R 50,00. This award is free to members of the South African Radio League.

Foreign applicants should submit a list of QSL cards, certified by an official of a local radio club or two licenced radio amateurs that have seen the cards. A handling and postage charge of US\$ 10,00 or 10 IRCs must also be included. PayPal facilities are available.

Worked All ZS trophies awarded

The Worked All ZS overhaul, 2001

History

The Worked All ZS programme encourages contacts with South African stations. The basic award requires contacts with 100 South African stations, with a geographic distribution that represents the actual distribution of South African amateurs. Only a single ZS3 contact is required, for example, while 56 of the more numerous ZS6 callsigns are required.

The first certificate was awarded to Gwen Smith ZS1NQ in 1959. To the end of the 20th century, over 300 certificates followed. The majority of these certificates went to South Africans, but certificates have gone to all continents except Asia.

There were many single-band endorsements, with the 3,5, 7, 14 and 50 MHz bands being represented. Awards have been endorsed for mixed modes, Phone, CW and SSB.

The award flourished in the Sixties, with more than 100 awards issued. The Seventies, Eighties and Nineties produced less than two dozen applications each.

The 2001 rewrite

In 2001, the SARL's awards rules were revised. A series of more advanced WAZS awards was introduced in an attempt to revitalise WAZS.

The new awards recognise higher levels of achievement, beyond the initial 100 required callsigns. The new awards series is open-ended, being named WAZS-200 for 200 callsigns, WAZS-300 for 300 callsigns and so forth. All applicants have to meet the basic WAZS requirements, with the required number of contacts per call area, but there are no limits to the composition of subsequent applications. An applicant who meets the basic requirements and submits evidence of contacts with 365 callsigns, for example, will be awarded a basic WAZS certificate, followed by WAZS-200 and WAZS-300. Each award is separately numbered.

To kick-start the process, Pretoria Contest Club ZS6Z undertook to donate trophies to the first three applicants to achieve WAZS-500. A start date of 31 December 2001 was announced, giving all contenders an equal chance to apply for the first award. Unfortunately, no applications were received by the start date. The first three trophies were therefore awarded chronologically. It took almost nine years for the third applicant to make the grade. The three trophies were sponsored by Superb Flight Training, a Pretoria-based flight school at the time.

SA-QSL

Shortly after the extended awards programme was announced, an event took place that would resurrect interest in WAZS to an extent that no-one had anticipated. Because WAZS requires proof of contacts with all the claimed callsigns, applicants would spend much time, effort and money chasing QSL cards from all those stations. Those who have gone through the process confirm that obtaining WAZS is far harder than obtaining DXCC or indeed most of the major DX awards.

This problem was alleviated considerably by the introduction of SA-QSL, the Web-based electronic QSL system that Richard Seddon ZS2CLI built on the SARL website. Suddenly, getting those confirmations was far easier and less expensive. The result has been a resurgence in interest in WAZS and a massive rise in the achievable scores.

The effect has been startling. In the period of 2002 to 2006, there were no WAZS applications. In the four years from 2006, 150 WAZS certificates were issued. As of 2002, only three people had reached the WAZS-200 level. As of 2010, the number reached 73. As of 2024, more than 330 stations have achieved this level.

Even more amazingly, as of 2002 the highest score was 500 and only one person had achieved that level. By 2010, the leader had passed 1000. As of 2024, the leading score is over 2200. More than 20 individuals have now exceeded the 1000 level, and more than 50 have passed the 500 mark.

As little as 10 years ago, a score of over 2000 was hardly imaginable. It remains to be seen if the progress will continue.

The Winners

The eventual winner of the first WAZS-500 was Chris R. Burger ZS6EZ. Chris reached the 500 mark in December 2002, almost a year after the start date.

At the time, the closest contender was Harald Pfeffer OE6HPD, with a score of more than 400. Unfortunately, Harald has to date not achieved the 500 level. It is nevertheless amazing that someone so far from South Africa could confirm contacts with more than 400 South African call signs.

The second WAZS-500 trophy was only claimed five years later. Jan Botha ZS4JAN applied in November 2007, simultaneously gaining WAZS-500 endorsements for SSB and for 7 MHz.

Number Three came eighteen months later, when Gerhard Coetzee ZS3TG obtained WAZS-500 in May 2009.

In the meantime, Jan Botha ZS4JAN achieved the 1000 level in November 2009. Pretoria Contest Club ZS6Z therefore decided to donate not only the promised trophies for the first three WAZS-500 winners, but also a special trophy for the first WAZS-1000.

The WAZS-500 trophies are handsome plaques, with an enamel design mounted onto a dark wooden base. The WAZS-1000 is similar, but much larger. Its size and design are intended to reflect the magnitude of the achievement.

Jan has continued his dominance of the WAZS programme. He now has a score of over 2200, with the runner-up being at the 1400 level.

Chris R. Burger ZS6EZ, 2024

RadioZS Awards

RadioZS is the official publication of the SARL.

Gary Immelman RA Heritage Award Floating Trophy

Awarded by the Editor for the best article of a historic nature describing an event that occurred more than five years previously or an interesting personality that has played an important part in the development of Amateur Radio in years gone by.

Arland Ussher ZS6Z (FO A6U) was the third president of the League and served from 1937 to 1949.

Sponsored by the Garry Immelman Trust.

Tinus Lange 7066 Technical Excellence Award

The award is bestowed annually on the SARL member who submits a technical project in any of the following categories:

Design and/or construction of projects such as a pre-amp, SWR bridge, patching unit, automatic IDer, practical antenna ideas, mast, portable gear, power supplies etc.
Any software for use in Amateur Radio

The submission must include the following:

The actual items (if size and mass allow) or photographs (particularly in the case of antennas, masts etc.)

A complete write-up in article form with illustrations/pictures, ready for publication in RadioZS

The Award

A framed certificate and a cash award of R1000

Presentation

All entries to be displayed (where practical, otherwise photographs) at the AGM and the award to be presented at the annual dinner.

Closing date

Entries close each year on 31 January.

Tinus Lange ZS6TL (SK) was a driving force in the Pretoria Branch of the SARL and HAMNET Northern Transvaal, during the 1980s and '90s.

Annual SAATI Technology Award

The South African Telecommunication Institute has tasked the SARL to present an annual award on its behalf.

The purpose of the award is to stimulate development of and activity on Amateur Radio bands in South Africa by rewarding radio amateurs who have contributed materially to this goal. New and lesser known modes of operation are preferred.

Criteria for the award include:

- An exceptional contribution to the development of a mode (digital or analogue), by operating or developing equipment or software.
- An exceptional contribution to amateur radio over an extended period.
- An exceptional contribution to the SARL's publication *RadioZS*.

The award consists of a certificate as well as a year's membership of the SARL, or as Council may deem fit.

Nominations from clubs or individuals must be submitted to SARL, and must include a motivation.

Amended 2021-06-09

2017 AMSAT-SA

The members of the "Kletsious" team:

Hannes Coetzee ZS6BZP
Brian McKenzie ZS6BNM
Fritz Sutherland (Jnr) ZS6FSJ
Leon Lessing ZS6LMG
Jacques Roux ZR1ADC
Deon Coetzee ZS1DE
Francois Oberholzer
Frik Wolff ZS6FZ
Nico van Rensburg ZS6QL
Hans van de Groenendaal ZS6AKV

2018 Johan Lehmann ZS6JPL
2019 Anton Janovsky ZR6AIC
2020 not awarded
2021 Cameron Eales ZS6CYE
2022 not awarded
2023 not awarded
2024 BACAR Team

Hamnet

Hamnet Shield

The Hamnet Shield rewards an individual or group for excellent service in a particular area to the community, the authorities and to Hamnet in particular. Criteria include cooperation with disaster relief organisations and enthusiastic provision of emergency communications.

The Shield is awarded by the National Director of Hamnet, normally based on nominations by the provincial directors.

Winners

2008 Glen Duffy ZS5GD †
For his ongoing contribution to the promotion of Hamnet in KwaZulu Natal.

2009 Hamnet West Cape
For their outstanding cooperation in many situations where Hamnet provided emergency communications.

2010 Chris Gryffenberg ZS6COG
For his ongoing contribution to the promotion of Hamnet in Gauteng South.

2011 Dave Reece ZS1DFR
For his ongoing contribution to the promotion of Hamnet in the Western Cape.

2012 Hampie Findt ZS6HJF
For his ongoing contribution to the promotion of Hamnet in Gauteng.

2013 Francois Botha ZS6BUU

2014 Hamnet Western Cape

2015 Glynn Chamberlain ZS6GLN

2016 Trevor Brinch ZS1TR
For his efforts running the Emergency Net and for this service around the management of the previous Hamnet members database.

2017 Roy Walsh ZS3RW
For his efforts in growing and organising Hamnet activities in the Northern Cape province. This division has shown a significant increase in activity and growth in operators since Roy took over the leadership in the region.

2018 Raan Greeff ZS4PR

2019 Paul von Spronson ZS1V

For overseeing the National Grant being approved for a further 3 years, implementing a uniform financial reporting system that was brought into the SARL accounting system, conformity in uniform and decisions with regards Rules and regulations.

2020 not awarded

2021 Michael Taylor ZS1MJT

For displaying particular leadership and commitment to the organisation with the completion of additional tasks which he had willingly taken on.

2022 Roy Walsh ZS3RW

Roy Walsh has been the regional director for HAMNET Northern Cape. The Northern Cape region has its unique challenges as it covers a vast area while having probably the least number of members. Under the guidance of Roy Walsh, the region grew and flourished with Roy handling a few incidents of note. He retired from the post at the end of 2021 as he has relocated out of the region.

2023 Allister van Tonder ZS6OK

Allister was instrumental in building the relationship with the City of Cape Town, establishing and setting up the disaster management radio room (ZS1DCC). He worked tirelessly in his efforts and has laid a great foundation for the organisation to continue their work in the area.

2024 Brian Jacobs ZS6YZ

Brian has been a long time member contributing to the organisation in ways that exceed the purpose of the organisation but assist in allowing all mature radio operators to enjoy their hobby. He is always willing to step up and fill in wherever he is required.

2025 Willem van der Merwe ZS6WIM

For his dedication to SARL Hamnet and the example he set to members of the organisation.

Recognition Awards

SARL Young Amateur Excellence Award

This award will focus on recognising youth achievements in Amateur Radio. Currently there is no award for the youth and this award will address the need for recognising the achievements of our younger generation.

There are three categories for recognising achievements as follows:

Nominees must have shown active participation and dedication within a club, group or recognised organisation in developing and growing the amateur radio service in support of their fellow amateurs,

Have demonstrated their dedication to amateur radio through personal accomplishments and operating achievements,

The development of a significant project (hardware or software) for use in amateur radio.

Nominees must be licenced radio amateurs and under 25 years.

2019	Glen Bailey ZR6G Alastair Skudder ZS6RAS Cameron Eales ZS6CYE
2020	Joshua Stone ZS1BOI
2021	not awarded
2022	Bryce McLean ZS1BWM Kiara McLean ZS1ISS
2023	not awarded
2024	Rulhof van der Merwe ZS4RM
2025	Elri du Rand ZU6EDR

SARL Club Excellence Award

To recognise on an annual basis affiliated Clubs that have made an exceptional and significant contribution in promoting and growing the amateur radio service.

The Award is to be presented in recognition of excellence of having achieved through their own efforts, creativity and dedication, a significant contribution to the amateur radio service.

These awards shall be presented to nominated affiliated Clubs at Council's discretion based on nominations received including appropriate motivations.

The Award takes the form of a suitably endorsed framed certificate approved by the Council SARL and/or any other form of recognition.

Criteria:

The contribution may be in recognition of technical, operating or organizational achievement.

All activities mentioned in an entry must be the work of the Club and not done by individuals on their own outside the Club.

All nominations must have a declaration from two club officials (Chairman, Secretary or Treasurer) stating that the nomination truly reflects the information provided and that all activities have been Club activities and not achieved through non-club members.

2019	Secunda ARC
2020	West Rand ARC
2021	not awarded
2022	Cape Town Amateur Radio Centre Northern Cape Amateur Radio Club
2023	Sandton Amateur Radio Club
2024	Sandton Amateur Radio Club
2025	Pretoria Amateur Radio Club

SARL Hammies Youth Development Excellence Award

The award to be awarded by Council to a person or to a club that in their opinion meets the following criteria.

- In recognition of their dedication in promoting amateur radio to the youth.
- In recognition of their achievements in advancing and educating the youth in Amateur radio.
- In recognition of promoting and organising youth activities.
- The recognition for the award should be for sustained dedication and effort by that person or club, for a period of time, as agreed by Council.
- Not to be given for a single event.

This award may be issued to an individual or club that has achieved most of the above criteria. This could also be awarded to a youth member who has given his/her time to mentor, educate and promote youth activities for the SARL.

2020	Graham Busse ZS6GL
2021	Dave Higgs ZS2DH
2022	Nico van Rensburg ZS6QL Guy Eales ZS6GUY
