				ZS6WB	KG44	103				

ZS - VHF UHF SHF Distance records [ZS-ODX]

The South African ODX record listing is published in a separate file on the SARL website. For a fully searchable database listing of ODX distances please view the following site where you can also submit your own ODX distances:

<https://sarl-odx.rq-it.dev/>

Please note: The SARL-ODX site is a work in progress. Please direct any updates and queries to Bernie, ZS4TX, zs4tx@qsl.net

ZS - VHF/UHF "Firsts"

For a comprehensive listing of who worked which entity for the first time from South Africa on 6M, 2M and 70CM, we refer you to the following links:

Firsts on 50 MHz: <http://zs6ez.org.za/lists/50zs1st.txt>

Firsts on 144 MHz: <http://zs6ez.org.za/lists/144zs1st.txt>
